**SCHOLARSHIP FOR MASTER DEGREE PROGRAM
OF THE GOVERNMENT OF THE REPUBLIC OF INDONESIA
ACADEMIC YEAR 2008 / 2009**

A. GOAL

The Tenth Conference of Heads of States of Non-Aligned Movement (NAM) countries held on 1 – 6 September 1992 concluded among others the idea of providing scholarships by the Ministry of Education and Culture, which is now the Ministry of National Education (MONE). The scholarship is aimed to strengthen the relationship and mutual cooperation among the members of NAM countries, to reciprocate scholarship programs provided by other countries for Indonesian citizens, and to provide stronger cultural links between these nations.

In 1993 the Government of the Republic of Indonesia started to offer postgraduate (Master degree) scholarships to students from the NAM member countries.

However, since 2002, after the Cold War ended, the scholarship has been offered to citizens of other developing countries such as Thailand, Fiji, Suriname, Guyana, Turkey, Vietnam, Vanuatu, South Korea and attracted more applicants. Over the years up to 2005, 243 students from 36 countries have completed the NAM scholarship program.

Considering that the international political development has made the use of the term “NAM” irrelevant, this scholarship program has been renamed as **Developing Countries Partnership Scholarship (DCPS) or *Beasiswa Kemitraan Negara Berkembang (KNB)***.
